Membership at Timacuan is to give the local companies of Central Florida the opportunity to take advantage of one of the best golf courses and country club facilities in Florida. This membership offers benefits that allow a corporation to reward key employees and provide unique marketing opportunities in a relaxed environment. Timacuan Golf and Country Club offers special packages for golf events that can be used for entertaining clients or

hosting internal company events.

The corporate membership has a discount structure based on the number of employees designated with a 5 member minimum. The employee designee is completely transferable to another employee within the company in case the original employee separates. The employee also has the right to transfer the membership to a private membership in the case of separation from the company.
